EXPERIENCE

Web Developer

KJP Digital Solutions Pvt Ltd

📅 06/2023 - 06/2024　　📍 Thrissur, Kerala

- Built and customized multiple WordPress sites to meet client requirements, optimizing for both functionality and aesthetics.
- Worked closely with designers, front-end developers, and project managers to deliver high-quality web solutions within tight deadlines.
- Improved website load times and overall performance by optimizing media files, implementing caching, and following SEO best practices.

Software Developer

SaNDS Lab　　📅 02/2020 - 06/2022　　📍 Thrissur Infopark, Kerala

- Designed and developed robust web applications using Core PHP, adhering to Object-Oriented principles and the MVC architecture.
- Created and managed database structures to support complex application requirements, ensuring data integrity and efficient querying.
